Cosmo Tires Hosts 2nd Annual Car & Truck Show at TGI Headquarters

[Miami, FL] — Cosmo Tires, a premium private label brand exclusively distributed by Tire Group International, hosted it's 2nd annual Car & Truck Show, Kool Kat Ambush at it's state of the art, 200,000 sq ft facility in Miami FL.

With hundreds of vendors, show cars, and entertainment, this is an opportunity to get consumers, clients, and the community together for some fun in the sun, sharing passions and experiences with one another.

"As we continue to grow, we never want to lose sight of our family-owned culture, and our clients and distributors are a key part of that growing family which is why it's important to set some time aside each year to get together like we do at our annual Kool Kat Ambush car and truck show" said Tony Gonzalez, CEO.

A wide variety of cars & trucks showed up for this event from classic, collectible cars, to rare super cars, there was something for everyone to appreciate. Among the show stopping fleet of cars was a 1968 Shelby GT350 and a one-off custom 1963 Lincoln Continental. In the VIP section of the show was a \$4 million dollar LaFerrari, and a \$2 million dollar Porsche Carrera GT. Over 25 trophies and awards were given out to participants for various accomplishments, such as best in show, best sound systems, best exhaust, to name a few.

Leading the pack for this event was Cosmo Tires Brand Ambassador Alberto Freti who has decades of experience in event organizing and he left his paw marks on this event with over 2,000 people in attendance through out the day.

You'll want to be sure to catch this event next year for great food, great music, great cars, and most importantly, great people.

About Cosmo Tires:

Cosmo Tires is a lifestyle brand of performance, passenger, off-road, light truck, and truck tires. Cosmo Tires was founded in 1995 and has been delivering exceptional performance and value ever since. The company started by manufacturing bias (nylon) tires for light truck, truck, industrial, agricultural, and off-road applications. Cosmo Tires has since expanded production into passenger car, light truck and truck and bus radials. Manufacturing a wide range of sizes and patterns for thousands of applications. Cosmo Tires are built with an industry-leading "quality to value" proposition that sets the company apart from all other tire brands. Constantly innovating and pushing the limits of design, Cosmo uses top quality materials and construction methods that squeeze the maximum performance, top safety, and best value out of every tire.
